Nottinghamshire Deaf Society

Covid-19 – guidance for visitors to NDS building from 19 April 2021

Our commitment to you:

- Restricted numbers in the building. Attendance by appointment only
- Details held for NHS Test and Trace
- Enhanced cleaning
- Clear signage (hands – face – space; no-waiting areas and room capacities)
- Floor markings in entrance hallway and at reception
- Hand sanitizer available in entrance hallway and in every room
- Hand washing facilities available
- Fresh air ventilation in every room
- Regular review of risk assessment and government guidance on Covid-19 safety measures

Visitors please:

- Do not enter building if you have symptoms of Covid-19 (high temperature, new continuous cough, loss or change to your sense of smell or taste)
- Observe all signage around the building
- Wear a mask (unless exempt) when moving around the building. Keep 2 metres distance if removing mask
- Keep chairs in rooms to designated floor markings/2 metres distance

For our British Sign Language (BSL) students:

- We are not using face coverings during BSL classes as they do not allow for good communication in BSL
- If you have to self-isolate, please do not attend your class. Contact us to discuss your options for continuing your studies
- We will use attendance data and information from our student records to notify NHS Test and Trace of your attendance if requested. We have updated our Privacy Notice to reflect this. This does not affect your rights under the General Data Protection Regulations (GDPR)
